

## **Statement on Right to Buy**

“The Housing (Scotland) Act 2001 included amendments to the Right to Buy. However the amendments did not extend the Right to Buy for tenants of Housing Associations who, like us, had charitable status on 18<sup>th</sup> July 2001. You therefore do not have the Right to Buy the property that you currently occupy (or have just been offered). If you require further advice on this matter please do not hesitate to contact us or seek independent advice”.
