## KINGDOM SUPPORT AND CARE GUIDE TO INFORMATION

Kingdom Support and Care CIC (KSC) is a Community Interest Company, a private company limited by shares and a wholly owned subsidiary of KHA. The company was created to ensure that the care and support services previously provided by KHA, continued to be delivered in the most effective way and to increase the viability of the service in the longer term.

Kingdom Support and Care (KSC) supports around 300 people throughout Fife and Falkirk, providing high quality and personalised support and care designed to meet individual needs and desired outcomes.

We provide support to people with a range of needs in their own homes, including those with: learning disability, autistic spectrum disorder, complex needs, mental health issues, age related needs, homelessness, drug and alcohol addictions.

Our aim is to support people to have a safe and secure home, to live as independently as possible in their own home, to live as full a life as possible and to be part of their local community.

We provide flexible, responsive and person centred support which assists people to live their lives as they wish and to enable them to meet their desired outcomes.

We put people at the heart of planning their support and listen closely to:

- help you to work out what support you need.
- help you to plan and organise your support.
- provide the direct support you need in a flexible way which meets your needs and desired outcomes.

We support people's right to be in control of their own lives and the right to make informed choices about their lives, including the opportunity for new experiences.

We provide services to a high professional standard as set out in the National Care Standards. We have our own internal quality control system, and we are inspected regularly by Care Inspectorate achieving grades of good and excellent throughout all of our services.

We believe that great support leads to great lives.

Term Used	Explanation
FOISA	Freedom of Information (Scotland) Act 2002 <i>Places a duty on those organisations covered to proactively publish certain types of information; and to respond to requests for information; and to provide advice and assistance to those making requests for information.</i>
EIRs	Environmental Information Regulations (Scotland) 2004 <i>Those organisations covered by EIRs have a duty to respond to requests for environmental information</i>
SIC	The Scottish Information Commissioner <i>Who is responsible for ensuring that those bodies covered by FOISA and EIRs comply with the terms of the legislation.</i>

MPS	Model Publication Scheme  <i>Produced by the SIC – this details all of the information that those subject to FOISA should publish (if they hold it)</i>
Guide to Information	<i>A guide that all organisations subject to FOISA and adopting the MPS must produce to help people access the information it makes available</i>
Classes of Information	<i>Nine broad categories describing the types of information authorities should publish (if they hold it).</i>

### **Background**

The Freedom of Information (Scotland) Act 2002 (FOISA) requires that all housing associations/co-operatives in Scotland must produce and maintain a publication scheme. This must detail all of the key information that we publish and how you can access it. This Guide to Information is our publication scheme, and contains links to where you can find all of the information listed online.

**Kingdom Support and Care** has adopted the Scottish Information Commissioner's (SIC) [Model Publication Scheme \(MPS\)](#), and this Guide has been approved by the SIC.

### **Formats other than online**

All of the information listed is available on our website (unless stated), and completely free to access online. However, we understand that not everyone will have online access and where this is the case you can contact us to view this in our office.

If you would like a printed copy of any of the information listed, unfortunately we may have to charge a small fee to provide this. This fee will never exceed the cost of photocopying and postage – and we will let you know any total cost before we forward this to you.

Our charges for providing any information detailed in this guide are summarised below:

<b>Format</b>	<b>Charge</b>
Online	Free
View at our office	Free
Print in black and white	5p per A4 sheet
Print in colour	10p per A4 sheet
CD Rom	50p per disc
Posted document/CD Rom	Cost of postage incurred

If you would like to request information that we publish in a format other than online, or arrange a visit to our office to view information, please contact:

**Calum Kippen**  
[calumkippen@kha.scot](mailto:calumkippen@kha.scot)

### **Information that we cannot publish**

Whilst we will try to make all of the information we have detailed available, in rare cases there may be some information that we cannot make available. For example, sometimes if we were to publish certain board minutes, it could reveal personal details about an individual. This would be a breach of Data Protection legislation if we were to do so. When this is the case, we will remove any personal details before publication and highlight where and why we have done so.

### **For how long will information be published?**

We aim, where possible, to publish information for at least the current and previous two financial years. When we review any document – e.g. our policies – to avoid confusion we will only publish the current version once it has been updated.

### **Copyright and re-use**

Where we hold the copyright on our published information, the information may be copied or reproduced without formal permission, provided that:

- It is copied accurately
- It is not used in a misleading context
- The source of the material is identified
